NCADAC Meeting
November 16-17, 2011

Jerry Melillo, Chair

- Next NCADAC meeting: by phone? In person in Tucson on January 16 or 19? At a later date?
- We anticipate resolution from NOAA lawyers about the question of what fundraising can be done, and how.
- ES will write a concise and clear description of the review editor role and responsibilities
- LAs to be identified by December 1 (we expect, except for Decision Support and Mitigation).
- CLAs for Decision Support and Mitigation selected by NCADAC by mid-December; LAs for these two chapters selected by mid-January
- FRN announcing all authors in January
- In preparation for the January CLA meeting, we will be thinking about plans for future author team meetings and developing additional guidance to the CLAs (including chapter templates)
- We will clarify the final steps involved in the production of the NCA report and delivery to Congress and the President.
- Several working group documents are in development
